## Conversation Starters

- What are all the apps you are using?
- Do you know how to flag/report inappropriate content on ALL your apps?
- Are your profiles private?
- What personal information have you shared online?
- Do you have any friends online you haven't met in person?
- Have you ever been asked to share an inappropriate picture?
- Do you know what to do if someone send or asks for an inappropriate picture?
- If anything happens online that makes you uncomfortable, do you know that you can talk to me? Even if you were doing something that you shouldn't have been doing.
- Have you even been bullied or witnessed someone else being bullied? What did you do?
- Have you ever been the bully? Have you ever posted something that you wouldn't have said to someone face to face?
- What kind of reputation are you building online?
- Do you know the laws associated with online activity?
- Do you know anonymous apps aren't entirely anonymous?
- Do you know that counselors and future employers are going to be checking your profile?
- When you post something online, do you think that you can ever take it back?
- What are some ways that you can use social media for good?
- What would you like *our* online relationship to look like?
- Are there certain topics for which you would like more information but are perhaps not comfortable talking to me about them?
