Prayer Guide for Children at Risk

Children's Advocacy Center of Collin County provided services to 2,179 clients in 2018. It's up to us to know the signs of abuse, to report it, and to protect our community's children. As a community of believers, it is our responsibility to pray for those victims, both known and unknown. Please pray with us for the protection of the children of Collin County – our children.

- Pray that God bring an end to child abuse.
- Pray that children be taught their value and have the courage to speak out about any abuse they may be facing.
- Pray that God strengthen families, provide for their needs, and surround them with support and individuals who will teach and model good parenting skills.
- Pray for the victims who have come forward, to feel supported and loved as they heal from the wounds of abuse.
- Pray for strength and stamina for those who investigate and seek to eliminate child abuse in this county.
- Pray for growing openness toward collaboration and innovation in your community where the most vulnerable members are valued. Pray that your community be characterized by faith, hope, and love.

The state of Texas requires all individuals to report suspected child abuse.
