

CHILDREN'S ADVOCACY CENTER OF COLLIN COUNTY
ANNUAL REPORT 2024 | FISCAL YEAR 07.01.23 - 06.30.24

Each new year offers an opportunity to reflect, not only on our challenges, but on the meaningful impact we continue to make in the fight against child abuse and a commitment to provide a place for healing to begin.

This year, we have much to be proud of. Operating two full-service campuses without a waitlist has been no small feat, and it reflects the strength, dedication, and adaptability of our staff and multidisciplinary team partners. Northern Collin County continues to experience unprecedented growth. Thanks to community support and an unwavering dedication to our mission, our team continues to meet the growing demand for our services in Collin County.

As you read through this annual report, I encourage you to look beyond the numbers. Each number represents a child's sacred story, a family's journey, and a community united in support. It is a testament to the resilience of our children we serve, the determination of our team, and the extraordinary power of hope.

Together, we are making a difference in children's lives.
