

CHILDREN'S ADVOCACY CENTER OF COLLIN COUNTY
ANNUAL REPORT 2025 | FISCAL YEAR 07.01.24 - 06.30.25

A new year gives us the chance to pause and reflect-on what we've overcome, what we've achieved, and the impact we continue to make in the fight against child abuse. This year, that impact has been profound. Running two full-service campuses with no waitlist speaks to the dedication and strength of our staff and multidisciplinary partners.

As Northern Collin County continues its rapid growth, the demand for our services grows with it. Thanks to steadfast community support and a deeply committed team, we are meeting that need head-on.

As you review this annual report, remember that every number you see represents a child's sacred story and a family's path toward healing. These pages reflect resilience, determination, hope, and the power of a community united for its children.

our sincerest gratitude

Children's Advocacy Center of Collin County extends our deepest appreciation to our community, partners, and donors for your unwavering support this past year. Your commitment continues to be the foundation of our ability to provide safety, healing, and justice to children in need. Although you may never see their faces, your compassion echoes through the stories of courage and hope we witness every day. Because of you, a little girl found the confidence to share her story for the first time after gentle preparation from a child engagement advocate on our team. A young boy received a new backpack and school supplies—his very first—restoring dignity and excitement for the school year ahead. Entire families began their journey toward breaking the cycle of abuse through comprehensive, free therapy made possible by your generosity. And through our puppet-based education program, children across our community learned to recognize and speak up about abuse, empowering prevention before harm occurs. Your support matters—deeply and profoundly. Together, we are making a lasting impact on the lives of those who need us most.
