Independent Auditors' Report

To the Board of Directors of
Children's Advocacy Center of Collin County, Inc.

Opinion

We have audited the accompanying financial statements of Children's Advocacy Center of Collin County, Inc. (a nonprofit organization) (Center), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2025 and 2024, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

1. Organization

Children's Advocacy Center of Collin County, Inc. (Center), a Texas non-profit organization, is classified by the Internal Revenue Service (IRS) as tax-exempt under Section 501(c)(3). The Center's mission is to provide safety, healing and justice for children victimized by abuse and neglect in our community. The Center offers a multi-disciplinary team approach where law enforcement, Texas Department of Family and Protective Services, prosecution, medical and mental health professionals work together as a team under one roof. The Center operates by bringing services to the child instead of the child going from place to place to tell their stories and get help. The Center provides the following core services: Forensic Interviews, Family Advocacy and Support Services, Therapeutic Counseling, Community Education and Child Protective Services. The Center operates on contributions received from individuals, businesses and civic organizations, and from special fundraising events. The Center also receives governmental grants, some of which are passed through national and state advocacy centers.

2. Summary of Significant Accounting Policies

Basis of Accounting and Financial Statement Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net assets without donor restrictions - Net assets not subject to donor-imposed stipulations. Net assets without donor restrictions may be designated for specific purposes by action of the board of directors.

Net assets with donor restrictions - Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a future period.

Some net assets with donor restrictions include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Center to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a spending policy approved by the board of directors. As of June 30, 2025 and 2024, no such net asset restrictions existed.

Children's Advocacy Center of Collin County, Inc.

Notes to Financial Statements

Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses are reported as increases or decreases in net assets without donor restrictions, unless their use is restricted by explicit donor stipulation or by law. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Contributions with donor-imposed restrictions that are met in the same year as the contributions were received are reported as net assets without donor restrictions. Donor restrictions on contributions of property and equipment and contributions restricted for the purchase or construction of property expire when the assets are placed in service unless the donor explicitly stipulated otherwise.

Credit and Market Risk Concentrations

Financial instruments which are potentially subject to concentrations of credit risk consist principally of cash and cash equivalents, investments, government grants receivable and unconditional promises to give. The Center places cash and cash equivalents, which at times may exceed the federally insured limits, with high credit quality financial institutions to minimize risk. As of June 30, 2025, the uninsured amounts totaled \$2,672. The Center has not experienced losses on such assets.

The Center's investments are subject to various risks, such as interest rate, credit and overall market volatility risks. Further, because of the significance of investments to the Center's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of the investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes.

Unconditional promises to give are unsecured and are due from various donors. Government grants receivable are unsecured and are due from various grantors. The Center continually evaluates the collectability of unconditional promises to give and government grants receivable and maintains allowances as necessary.

At June 30, 2025 and 2024, approximately 99% of government grants receivable were due from one agency.

Children's Advocacy Center of Collin County, Inc.

Notes to Financial Statements

The Center operates entirely within the Collin County, Texas area. Therefore, financial activities are subject to the economic conditions of the area. For the years ended June 30, 2025 and 2024, the Center received approximately 36% of its support and revenue from funds originating from federal, state and local government agencies. Continuation of such funding at current levels in future periods is subject to various factors such as economic conditions, compliance with grant provisions, potential new legislation and continued applicability of mission.

Cash and Cash Equivalents

The Center considers highly liquid investments with an initial maturity of three months or less when purchased to be cash equivalents.

Investments

The Center's investments consist of exchange traded funds and mutual funds and are carried at fair value. Realized gains and losses are recorded as the difference between historical cost and fair value, and are shown on a net basis. Unrealized gains and losses are recorded for the change in fair value of investments between reporting periods.

Property and Equipment

The Center capitalizes property and equipment over \$5,000. Lesser amounts are expensed. Purchased property and equipment are reported at cost. Donations of property and equipment are recorded as contributions at their estimated fair value on the date donated. Property and equipment are depreciated using the straight-line method over estimated useful lives of the assets, which range from 3 to 50 years.

Impairment of Long Lived Assets

The Center reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate the carrying value of an asset may not be recoverable from the estimated future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment included current operating results, trends and prospects and the effects of obsolescence, demand completion and other economic factors. There were no indications of asset impairment during the years ended June 30, 2025 and 2024.

Children's Advocacy Center of Collin County, Inc.

Notes to Financial Statements

Revenue Recognition

The Center recognizes contributions when cash, securities, other assets or an unconditional promise to give is received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected. All contributions are considered available for unrestricted use unless specifically restricted by the donor. Conditional promises to give, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

A portion of the Center's revenue is derived from cost-reimbursable government contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Center has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. The Center was awarded cost reimbursable grants totaling \$156,843 and \$312,927 that have not been recognized as revenue at June 30, 2025 and 2024, respectively, because qualifying expenditures have not yet been incurred. The Center's costs incurred under its government grants and contracts are subject to audit by government agencies. Management believes that disallowance of costs, if any, would not be material to the financial position or changes in net assets of the Center.

Donated goods and services are reflected as contributions at their estimated fair values at date of receipt. The Center recognizes contribution revenue for certain services received at the fair value of those services, provided those services create or enhance non-financial assets or require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present expenses by function and natural classification. Certain costs are charged directly to the functions they benefit. Other expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include building occupancy and depreciation, which are allocated on a square footage basis, as well as payroll costs, professional services, supplies, equipment, communication, education, travel, insurance, client assistance and miscellaneous which are allocated on the basis of estimates of time and effort.

Income Taxes

The Center is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code (IRC) and has not been classified as a private foundation as defined in the IRC. Income generated from activities unrelated to the Center's exempt purpose is subject to tax under IRC

Children's Advocacy Center of Collin County, Inc.

Notes to Financial Statements

Section 511. The Center had no unrelated business income for the years ended June 30, 2025 and 2024. Accordingly, no provision has been made for federal income tax in the accompanying financial statements.

GAAP requires the evaluation of tax positions taken in the course of preparing the Center's tax return and recognition of a tax liability (or asset) if the Center has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Center and has concluded that as of June 30, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimated.

3. Investments

Fair Value Measurements

Under the Fair Value Measurements and Disclosures topic of the Codification, ASC 820, disclosures are required about how fair value is determined for assets and liabilities and a hierarchy for which these assets and liabilities must be grouped is established, based on significant levels of inputs as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date; |
| Level 2 | Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; |
| Level 3 | Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates or assumptions related to the pricing of the asset or liability including assumptions regarding risk. |

Children's Advocacy Center of Collin County, Inc.

Notes to Financial Statements

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. All investments of the Center are classified within Level 1 of the valuation hierarchy.

Exchange Traded Funds and Mutual Funds

These investments are public investment vehicles using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

The following table sets forth the Center's investments estimated fair value at June 30:

	2025	2024
Exchange traded funds	\$ 814,343	\$ 600,507
Mutual funds	625,020	710,693
	<u>\$ 1,439,363</u>	<u>\$ 1,311,200</u>

Less: unamortized discount	(14,380)	(18,303)
	<u>\$ 274,399</u>	<u>\$ 343,834</u>

At June 30, 2025 and 2024, the discount rate utilized in computing the net present value of long-term pledges was 3.79% and 4.33%, respectively.

6. Property and Equipment

Property and equipment consist of the following at June 30:

	2025	2024
Land	\$ 2,045,000	\$ 2,045,000
Building	14,879,761	14,879,761

The Center leases office space in its building to partnering agencies under cancelable operating leases. Rent (including reimbursements for utility costs) from partnering agencies for the years ended June 30, 2025 and 2024 totaled \$567,242 and \$579,229, respectively. One tenant represents approximately 78% and 79% of total rent revenue for the years ended June 30, 2025 and 2024, respectively.

10. Employee Retention Credit

The Taxpayer Certainty and Disaster Tax Relief Act of 2020, enacted December 27, 2020, amended and extended the Employee Retention Credit (ERC) of the CARES Act. The ERC is a refundable tax credit against certain employment taxes equal to 50% of the qualified wages an eligible employer pays to employees after March 12, 2020, and before June 30, 2021. Employers are eligible for the credit if they met certain criteria that include either a full or partial suspension of operations during any calendar quarter of 2020 and the first and second quarters of 2021 due to government orders or a significant decline on gross receipts.

The Center determined it was eligible for the ERC totaling \$824,563. The full amount was received during the year ended June 30, 2025, and is recognized as non-operating income on the statement of activities.

11. Employee Benefit Plan

The Center has a 401(k) plan for eligible employees. For the years ended June 30, 2025 and 2024, the Center matched employee contributions up to 3% of the employee's salary. The Center's contributions totaled \$143,106 and \$91,591 for the years ended June 30, 2025 and 2024, respectively.
